

Announcing the 2016-2017 Rancho Bernardo Concerts Sponsor Program

Support your RB Concerts – Celebrating 18 years of fine musical performances

The Friends of the RB Branch Library sponsors a chamber music series (10 concerts) and a Jazz series (6 concerts), presenting the top musical artists in Southern California at no charge to the public. Funding for these professional artists is sourced primarily by free-will donations at each concert. Additional support comes from a grant from the RB Community Foundation, and from individual sponsors. After experimenting with the individual sponsor program last year, we have established a new, simplified policy for 2016-2017 and we are looking for wide participation by our concert supporters.

- Individuals may become a sponsor with an annual gift of \$100.
- Couples & families may sponsor at the \$150 level.
- These are minimum suggested amounts. Some sponsors have elected to donate a larger amount. There are no limits.
- We are a 501 (c) (3) organization for tax deduction status
- The sponsorship year runs from August to July
- All sponsors are listed in the program handout and on the Friends website

To be a sponsor, just mail a check to the Treasurer - Friends of the RB Library, 17110 Bernardo Center Drive, SD 92128. Mark "Concert Sponsor" in the memo line. Make sure that the name(s) that you want listed are noted.

We are also initiating a trial "business sponsor" level. If you want to have your business be a sponsor, you can do this for \$200. We'll devote a special section for listings of business sponsors. Write "business sponsor" in the memo line. Please note the business name. Also add a line for a brief description of products or services. You may also add an address, phone number, e-mail address or website.

Thank you for your consideration and support for the RB Concerts. Your support will help us to bring the very best concerts in the entire county to your RB Library and help us to provide the remuneration that they deserve.

Harvey Levine, Concerts Director, Friends of the RB Library
