

IT'S TIME TO RENEW!

Here's HOW the Friends of the RB Library helps the Library:

Our donations, recently averaging over \$25,000 annually,

- go into accounts for our Branch only
- are matched by the City of San Diego,
- pay for all or part of **EVERY** program for all ages
- buy equipment, such as chairs or the computer classes' laptops
- buy books, and pay for the lease of currently "in-demand" books and DVDs that are borrowed only by patrons of our Branch

Please share in our effort by renewing now. You will receive our Newsletter, enjoy discount pricing in the Bookshop and be able to borrow from the Friends Lending Library of bestsellers. You will also have the satisfaction of helping your Library and the Rancho Bernardo community. If you're able, why not consider joining at a higher level. We will appreciate and acknowledge special donations.
